

SAVONNERIE

American Jane

I cannot resist when I see a shop that sells everything French. Going in is like a little trip to the south of France. I pick up a few souvenirs, a napkin or two (fat quarters to me) and a bar of soap. I love the packaging prints, the scents and of course the labels! Amazing how just a few items can bring back such rich memories and the romance of France. Savonnerie offers several small prints that are so very French looking, plus large florals, stripes and the big wide borders that give your quilts a dramatic finish! Voila!
