

Moving On Lawns

JEN
KINGWELL
DESIGNS

My first collection, Gardenvale, was named after the area of Melbourne where my shop, Amitie Textiles, was located. This past year, the property was sold by the owners and is scheduled for demolition so I will be "moving on" to a new place. But my love of scrappy quilts and eclectic fabrics remains, and combining these "Moving On" lawns with my Lollies means there are over 70 different prints to play with.
