## Benefiting the National Multiple Sclerosis Society.

Howard Marcus Dunn continues to share his passion for giving by donating the proceeds of his Collections for a Cause fabrics to organizations that benefit our community. As the founder and owner of Moda Fabrics, Mr. Dunn has chosen the National Multiple Sclerosis Society as the recipient of the proceeds from his 21<sup>st</sup> quilt in the Collection for a Cause series. Their mission states: **People affected by MS can live their best lives as we stop MS in its tracks, restore what has been lost and end MS forever.**

## ...Practice Compassion

Dainty floral prints are mixed with bold stripes and a patchwork "cheater" print, then colored in shades of Ivory, Red, Pink, Blue and Brown to create a classic Reproduction collection. The antique quilt on which the signature quilt and Compassion collection is based is distinctive and original, just like the man behind the Collections for a Cause.
